

Alpine Club of Himalaya (ACH) is a group of professionals having an experience of more than 2 decades in operating small group trekking, climbing, white water rafting, wildlife safaris, cycling and other adventure holidays in NEPAL, TIBET, CHINA, INDIA & BHUTAN. We strive to provide you with the best Himalayan experience blended with traditional Nepalese hospitality, with a team of highly trained and experienced staff members.

ACH is a professional and qualified Government registered company and is an active member of the Trekking Agent Association of Nepal and the Nepal Mountaineering Association. ACH specializes in trekking and adventure travel holidays with small groups. From the thrilling Everest Base Camp trek to the exhilarating high peak climbing, from the remote inner Dolpo Trek to the popular Annapurna Circuit Trek, from the iconic Potala Palace in Tibet to the magical Taj Mahal in India, from a historical and wildlife tour in Nepal to the Land of Thunder Dragon with fantastic monasteries and incredible Dzongs, or the wild white water adventures in Himalayan rivers, ACH offer innovative tours, treks and adventure holidays.

Alpine Club of Himalaya offers a range of tours and trekking itineraries to choose from. However, our services are very flexible and we would be delighted to prepare itinerary that best suits your interest.

TREKKING & CLIMBING

The serenity and grandeur of Nepal Himalaya attracts trekkers and mountaineers from all over the world. Trekking in Nepal is a rewarding life experience for the grand mountain scenario, natural beauty, diverse cultural heritage and varied geographic conditions, being home to eight out of the fourteen highest peaks in the world, each over 8000m. Trekking is the only way to know and understand the 40 different ethnic communities of Nepal. As the landscape changes, the people change as does the flora and fauna. While trekking in this land of manifold attractions, each step provides new and intriguing viewpoints. Climbing expeditions involve ropes and other items of mountaineering equipment. Our range of climbs comprises big peaks in the Himalayas. Our professional and experienced trekking and climbing guides and porters are personally well equipped. We guarantee their special attention to the needs of all clients, in particular, health, safety, hygiene and comfort.

WILDLIFE SAFARI

Nepal is considered the biggest natural museum in the world rich in varied species of flora and fauna. Every significant ecological system of the country is in the form of nine national parks and four wildlife reserves. Chitwan National Park being the first National Park in Nepal has Sal forests covering 70% of the area and there are about 600 species of plants and 450 species of birds. There are altogether over 43 species of large mammals, 526 species of birds, 150 different types of butterflies, 126 species of fish and 49 species of reptiles in this wonderful Park. Nepal is also home to more than 800 species of birds, 6,500 known species of trees, shrubs, and wild flowers, and an amazing collection of mammals and the significant number of one-horned rhinos and other endangered species like the Bengal Tiger, the

gangetic dolphins and the gharial crocodiles. These National Parks are valuable due to dramatic mountains, glaciers, deep valleys and undisturbed vestiges. We shall take you to the heart of these protected areas by trekking, canoeing, and elephant ride for an opportunity to engage in a true wilderness experience.

RAFTING

Fed by the highest mountain range in the world, Nepal boasts some of the world's best raft-able rivers with a choice of multi-day trips away from roads, in magnificent mountain surroundings, semi-tropical climate, impressive geography, wildlife, exotic cultures and friendly people. Rivers in Nepal are graded on an international scale of 1 to 6 based on their level of difficulty. Grade 1 is defined as easy-moving water with few obstacles whereas grade 6 can be tough and dangerous, ideal for only the die-hard adventures with a firm belief in their ability. Our fully supported river expeditions are thoroughly equipped to the last detail. Expert professional guides, safety kayakers with countless experience, and state of the art equipment make it possible for even those new to the rafting world to experience some of Nepal's more challenging rivers possible for a unique, action packed, fun and cultural experience that will leave you screaming for more.
